For your safety: Enhanced safety protocols

- **Request to riders:** Please be advised, close contact amongst passengers is expected. Passengers ride at their own risk. If you feel sick, have a fever, cough or other symptoms, please stay home and do not ride the trolley. Wash your hands frequently and avoid touching your face. Riders should practice social distancing when waiting for the trolley and when queuing and boarding the trolley. **Please be patient as increased wait times are expected for this service on all routes.**
- **Personal Protection Equipment is required:** All passengers and trolley drivers will be required to wear cloth masks or face coverings when aboard the trolley. Refusal to wear a mask or face covering or acting in an unsafe manner will result in denial of entry or expulsion from this service.
- **General Trolley Information:** Trolleys will operate at 50% capacity. Staff will continuously monitor capacity levels on all trolleys to determine if additional reduction in seating capacity is needed. The trolleys will be cleaned with disinfectant sprays and all hard surfaces and high-touch areas will be cleaned at the end of service on a daily basis. The driver reserves the right to deny service.
