### **Candidate Information:**

My wife, Susan, and I have been Sea Pines property owners for over 20 years; full-time residents for the last 10. Most of my professional career was spent in Kansas City as an owner / operator of radio stations which taught me the need to understand the public's interests and concerns and the importance of gaining stakeholder buy-in.

This experience also made me a more strategically minded successful entrepreneur, understanding how to facilitate delivering effective and targeted results; bringing diverse entities to consensus without compromising the overall objectives.

### **Why I Wish to Serve the Sea Pines Community:**

I was fortunate to have been elected to both the CSA and ASPPO Boards of Directors in 2017 (terms began in 2018). My tenure on these boards immersed me into the many challenges we face as a community. My experience along with my involvement on the many committees and task forces has given me many opportunities to participate in think tanks to determine solutions to the challenges we are encountering.

### Sea Pines Experience:

- CSA Short Term Rental Committee
- CSA Chair Safety and Security Committee
- CSA Gate Entry Committee
- CSA Long Range Strategic Planning Committee
- Chair Greenwood Circle Task Force
- Schooner Court #30 Board of Directors / President

I look forward to continuing to work with the many talented people on these Boards as we lead our community through the many issues we're facing during the coming years.
