

SEA PINES COMMUNITY STANDARDS RULES AND REGULATIONS

Adopted May 25, 2021

As Amended May 20, 2025

PART I. INTRODUCTION

A. PURPOSE

The purpose of these Community Standards Rules and Regulations is to promote aesthetic excellence of all Residential Property within Sea Pines, to encourage mutual respect among all Residential Property Owners and Tenants, and to foster standards which will maintain Sea Pines as the premier community on Hilton Head Island. These Community Standards Rules and Regulations may be enforced by staff of Sea Pines Community Services Associates, Inc. and compliance will maintain Sea Pines' high standards of excellence in the community.

B. DEFINITIONS AND ACRONYMS

Sea Pines Architectural Review Board ("ARB")

Sea Pines Architectural Review Board Guidelines ("ARB Guidelines")

Sea Pines Property Owners Association (SPPOA)

Sea Pines Community Services Associates, Inc. ("Sea Pines CSA")

Development. Any external new construction, additions, alterations, signage, and/or renovation of existing structure and/or appurtenances including, but not limited to, installation or modification of propane tanks, satellite dishes, playhouses, gazebos/pergolas, and pools; repainting (even with the same colors); fence installation; driveway repair/replacement; reroofing (even with the same colors); window/door/garage door replacement (even with same style or color).

Fines Schedule. A listing of monetary fines that may be used as enforcement action for violating these Community Standards Rules and Regulations.

Identified Property. A Residential Property judged by the Community Standards Officer to be in violation of the Community Standards Rules and Regulations.

Community Standards Rules and Regulations ("Community Standards Rules and Regulations"). The Rules and Regulations pertaining to Residential Property Community Standards management contained herein.

Community Standards Violation ("Community Standards Violation"). A condition that fails to conform to the Community Standards Rules and Regulations.

Community Standards Violation Appeal ("Community Standards Appeal"). A written plea by the Owner to the Sea Pines CSA President challenging the validity of the Community Standards Violation.

Community Standards Violation Notice ("Community Standards Violation Notice"). A written notification to the Owner by the Community Standards Officer describing the Community Standards Violation(s), specifying a deadline for violation resolution, and stating the fine enforcement action. Such notices are also referred to as the "Initial Notice", the "Second Notice", and so forth.

Community Standards Violation Resolution Date ("Violation Resolution Date"). The official date a Community Standards Violation is deemed resolved by the Community Standards Officer, as verified by Property inspection.

Community Standards Violation Resolution Notice ("Violation Resolution Notice"). A written notification to the Owner by the Community Standards Officer documenting the full remediation of the Community Standards

Violation.

Community Standards Violation Timeline Extension Request ("Timeline Extension Request"). A written notification by the Owner to the Community Standards Officer requesting a Community Standards Violation remediation deadline extension.

Community Standards Officer ("Community Standards Officer"). A Sea Pines CSA employee responsible for conducting Property inspections and taking actions in accordance with the Community Standards Rules and Regulations.

Residential Property ("Property"). Any parcel of land, improved or unimproved, intended for residential use within Sea Pines Community. An improved property is a "Developed Property" and an unimproved property is an "Undeveloped Property".

Residential Property Owner ("Owner"). The owner of a Residential Property within Sea Pines.

Residential Property Tenant ("Tenant"). The tenant of a Residential Property within Sea Pines for any short- or long-term period.

Sea Pines. The planned unit development known as Sea Pines on Hilton Head Island, South Carolina.

Sea Pines Gate Entry Policy ("Gate Entry Policy" or "GEP"). The Community Services Associates, Inc. Sea Pines Gate Entry Policy. In referencing the GEP, the most current version applies.

Violation Category ("Category"). A subset of Violations of these Community Standards Rules and Regulations contained within a Fine Schedule that incur a given set of monetary fines.

C. PREAMBLE

1. Authority. The legal authority to promulgate and enforce these Community Standards Rules and Regulations is derived from the Sea Pines CSA Bylaws, the South Carolina Nonprofit Corporation Act of 1994, and various restrictive covenants and other agreements of record or otherwise applicable to Property in Sea Pines. The Community Standards Rules and Regulations may be amended from time to time at the sole discretion of the Sea Pines CSA Board of Directors.

2. Supersession. This Community Standards Rules and Regulations statement, together with subsequent amendments approved by the Sea Pines CSA Board, supersedes all rules and regulations pertaining to land use management contained in previous statements of Sea Pines Rules and Regulations for Owners and Long Term Renters, all previous statements of Sea Pines Rules and Regulations for Short Term Renters and Guests, as well as the Sea Pines Land Use Standards and Procedures.

3. Enforcement. Violations of the Community Standards Rules and Regulations may result in the levy of a fine or fines, as set forth in Exhibit A Schedule of Fines for Community Standards Rules and Regulations Violations, attached hereto and made part of these Community Standards Rules and Regulations, and may result in penalties as set forth in the Sea Pines Gate Entry Policy (the "GEP"). Unpaid fines may be subject to interest and costs of collection. Sea Pines CSA has the right, but not the obligation to proceed at law or in equity to compel compliance with these Community Standards Rules and Regulations. Paid fines will go to the Sea Pines CSA General Fund. Further, Sea Pines CSA staff have the right but not the obligation to enter upon any lot (i.e., any Undeveloped Property) to remedy or abate a Community Standards Violation (an "Community Standards Violation") and such entry is not deemed a trespass. Sea Pines CSA has the right to request inspection by the applicable agency of the Town of Hilton Head Island, of Beaufort County, or of the State of South Carolina of any Property for possible violation of law, including, but not limited to, environmental, building, abandoned vehicles, health and/or safety codes. Such a violation may result in penalties as defined by law.

4. Responsible Parties. The Owner is responsible to ensure the Property remains in compliance with the Community Standards Rules and Regulations at all times, including such Owner's invitees, Tenants, guests, and contractors. Tenants, as well as Owners, are responsible to ensure the Property remains in compliance with the Community Standards Rules and Regulations, including, but not limited to, those pertaining to overall appearance, trash and debris, and vehicles.

PART II. COMMUNITY STANDARDS MANAGEMENT

A. COMMUNITY STANDARDS RULES AND REGULATIONS

1. Development

1.1. Development of a Property may not commence without prior receipt of all necessary and appropriate approvals from the ARB and applicable governing authorities. Such permits shall be displayed on the Property as required by the ARB Guidelines located at www.SeaPinesARB.com and applicable governing authorities. Development commenced and/or completed without having received the necessary and appropriate permits from ARB and the applicable governing authorities, properly displayed, may be subject to a stop-work order, fine and/or removal.

1.2. All Development shall be completed within the delineated deadline(s) specified in the permit(s), or within the applicable ARB approved deadline extension(s).

1.3. Newly completed Development shall comply with the ARB Guidelines.

2. Development Maintenance. Completed and ARB approved Development shall continue to meet the ARB-approved specifications, the ARB Guidelines as well as government requirements and remain as originally approved. Specific requirements include the following:

2.1. Exterior building materials (e.g., siding, bricks, decks, porches, railings, windows, fascia/trim boards, roofs), property barriers (e.g., fencing, privacy walls), and hardscapes (e.g., walkways, driveways) shall be kept in good repair. Cleaning is required to remove notable visible buildup of surface contaminants (e.g., dirt, mold, mildew, moss, rust). Replacement or repair is required when damage or deterioration occurs.

Repainting/re-staining is required of painted/stained surfaces when notable discoloration, fading or peeling occurs. Repair or maintenance work shall be done in a manner that ensures consistency and conformity of the repaired/maintained materials with remaining existing materials of the same type (e.g., re-roofing a section of a roof may be permitted if the new roofing matches the current older roof, otherwise, the entire roof may require replacement).

2.2. Boat docks, piers, seawalls, and bulkheads shall be kept in good condition and repair. Replacement or removal is required when damaged or deteriorated beyond repair.

2.3. Pools (e.g., swimming pools, whirlpools, spas, hot tubs, wading pools) shall be kept in good condition and repair. Pools shall be kept clean of debris and be properly treated to prevent mosquito breeding, vegetative and/or bacterial growth. The perimeter of the pool, including walkways, shall be kept in good condition and repair. Replacement or repair is required when deterioration of pool surfaces, perimeters, decking, and/or walkways occurs. Pool covers shall be in good condition and repair, and when in use must be well secured so as to fully cover the pool.

3. Landscaping

3.1. Owners shall comply with ARB guidelines in obtaining the proper approvals prior to initiating tree removal, landscaping removal, and/or landscaping plantings for the Property. Before work commences all permits required by the ARB and applicable governing authorities shall be displayed and visible from the road.

Unapproved disruption of government protected critical environments may be subject to penalties as defined by law. [Refer to Part II Section A.6.1 for rules pertaining to tree removal and pruning. Refer to Part II Section A.6.2 for rules pertaining to landscaping and grounds located on Sea Pines CSA open space, ocean front public trust property, and/or a government-protected critical environment either abutting or on a Property.]

Landscaping work commenced and/or completed without having received the necessary and appropriate

permits from ARB and the applicable governing authorities, properly displayed, may be subject to a stop-work order, fine and/or removal of said modification.

3.2. All landscaping work shall be completed within the delineated deadline(s) specified in the permit(s), or within the applicable ARB approved deadline extension(s).

3.3. Newly completed landscaping on Developed Property shall meet ARB-approved landscaping specifications and ARB Guidelines, as well as applicable requirements of Sea Pines CSA and government authorities.

4. Landscaping Maintenance, Developed Property. Completed and ARB-approved landscaping on Developed Property shall be maintained in such a manner that it continues to conform to the ARB-approved specifications and the ARB Guidelines. Landscaping must be high enough to cover 50% of the structures foundation and must be covered by plant material that is at least to the first floor siding. Landscaping should include sufficient plants in a manner that buffers the house appearance.

Landscaping shall be maintained in a manner that conforms to and does not detract from the aesthetics of the neighborhood. As landscaping ages, supplemental or replacement plantings may be needed to maintain appearance. Specific requirements include the following:

4.1. Lawns, bushes, trees and palms shall be cut/trimmed to maintain a neat appearance. Bedded areas shall be kept clear of overgrowth. Vines, weeds and invasive vegetation shall be removed.

4.2. Roofs, gutters, driveways, and other hard surfaces shall be cleared of pine straw and other vegetative debris with reasonable frequency so that there is no accumulated buildup.

4.3. Ground cover (e.g., mulch, pine straw) shall be applied periodically to maintain a neat, clean appearance. Ground (e.g., dirt) shall not be left exposed without landscaping or ground cover. Ground cover materials not fully distributed within three (3) weeks of delivery to the Property may be considered vegetative debris. Fallen leaves are permitted as landscaping ground cover, but shall be maintained to a neat, clean appearance.

5. Landscaping Maintenance, Undeveloped Property. Undeveloped Property grounds and landscaping shall be maintained in a neat manner to conform to the following:

5.1. No structure, vehicle, boat, or storage unit of any kind, temporary or permanent, is permitted on the Property. ARB approved structures, vehicles, or storage units necessary for ongoing construction projects or emergencies are exempt subject to prior written approval from the ARB.

5.2. Vegetative undergrowth is permitted in natural areas but shall be cut in a manner and with sufficient frequency to ensure the Property conforms to and does not detract from the aesthetics of the neighborhood. Vines, weeds and invasive vegetation shall be removed.

5.3. Fallen leaves are permitted as landscaping ground cover, but shall be maintained in a neat and clean appearance.

6. Landscaping Maintenance, General

6.1. Downed trees shall be removed from the Property. A downed tree is one in which all or part of the trunk is lying on the ground or on a structure (e.g., house, car, another tree), and/or is uprooted.

Removal of any standing tree having a trunk diameter of 6 inches or greater measured 4 feet above grade (living or dead), located on Developed or Undeveloped Property, requires approval by the ARB and any applicable governing authority prior to removal. Tree removal performed without applicable permit(s) is prohibited.

Pruning or removal of a protected species (regardless of size) may be regulated by applicable governing authorities. Owners should contact the ARB for further information prior to pruning or removal.

Tree stumps left on Developed Property must be removed to below ground level.

6.2. Special consideration shall be given to vegetation and the land itself bordering waterways, lagoons, the oceanfront, and any other government protected critical environment. If such land is not the Property of the Owner, modification of it and/or its vegetation requires pre-approval from its legal owner and/or administrator. Sea Pines CSA owns most of the common property in Sea Pines which includes lagoon banks. The ground, water and vegetation (living or dead) located in such areas may serve a vital role in bird, animal and plant preservation and in shoreline stabilization. Disruption of such areas are subject to penalties for trespassing and for violations

as defined by law.

Before altering any Sea Pines CSA property, an encroachment agreement is required. In addition, ARB and other governmental authority pre-approvals are required. It is the Owner's responsibility to be aware of the requirements before proceeding. Even if the Owner has title to and possession of waterfront land, laws regarding protected critical environment areas apply.

Work commenced and/or completed without having received the necessary and appropriate permits from Sea Pines CSA, ARB, and the applicable governing authorities, properly displayed, will be subject to a stop-work order, possible fines, removal of said modification, and/or restoration of the said environment.

6.3. Blower Noise Levels: Any individual or entity engaged in landscape maintenance or cleanup or removal for hire shall not utilize commercial grade leaf blower equipment unless such equipment has been rated by the manufacturer specifications (per American National Standards Institute ("ANSI") Standards B175.2-2000 (R2005): Effective January 1, 2023, maximum of 75 dBA or less. Effective January 1, 2026, maximum of 65 dBA or less.

Exemptions: This shall not apply to landscape maintenance or cleanup on the following: a. Golf courses; b. Tennis facilities; c. Stables; d. Leisure trails; e. Commercial Parking Areas or common areas owned by Commercial Owners; f. Road rights of way; g. Any Residential Property for purposes of cleanup only, following a named tropical storm, hurricane, or other major storm as declared by Sea Pines CSA, that directly affects Sea Pines; h. Open space and lands managed or owned by Sea Pines CSA.

Compliance: Any individual or entity engaged in landscape maintenance or cleanup or removal for hire shall attest to compliance with these requirements as a condition to secure permit for access into Sea Pines to perform such services in Sea Pines. False attestation of compliance with the requirements of Paragraph 1 may result revocation of gate privileges.

7. Overall Property Appearance

7.1. Mailboxes and mailbox posts shall be properly labeled and maintained in good repair as per Sea Pines CSA standards. A Sea Pines CSA approved street number sign shall be posted at each Property easily visible from the road, and shall be properly maintained in good repair. Contact Sea Pines CSA Maintenance for mailbox/post repair, maintenance, or label change, as well as for street number sign repair or replacement.

7.2. For security and aesthetic reasons, garage doors shall be kept closed when not in use and/ or overnight.

7.3. As specified in the ARB Guidelines, Owners are responsible for the landscaping and maintenance of landscaping in right-of-ways from their Property lines to the roadway and public beach walkways. However, the temporary or permanent installation or use of materials or items in any right-of-way that may block right-of-way access, that may limit vehicular traffic visibility, and/or that pose a hazard to vehicular, bicycle or pedestrian traffic is strictly forbidden. Items or materials prohibited from installation or use in right-of-ways include, but are not limited to, signage, larger vegetation, woody vegetation, reflective devices, rods, spikes, posts, pilings, boards, walls, fences, ropes, boulders, and rocks/bricks/pavers that protrude more than 2 inches above ground level. Owners may apply for a variance to this rule by applying for an easement agreement with Sea Pines CSA and by applying for approval with the ARB for either existing or new installation of materials or items that do not conform to this rule.

Sea Pines CSA has the right but not the obligation to remove any item or material on Sea Pines CSA right-of-way at their sole discretion; Sea Pines CSA bears no responsibility for such material and/or item damage or replacement.

7.4. Laundry items (e.g., towels, bathing suits, clothing) may not be hung on railings/balconies or any other location where visible from adjoining properties, a golf course, the beach or the street. Clotheslines are prohibited. Household items (e.g., coolers, bicycles, skateboards), yard maintenance equipment (e.g., mowers, trimmers, gas cans, garden hoses, ladders), firewood and sports equipment (e.g., field sports equipment, basketballs, kayaks, canoes) must be stored out of public view when not actively in use. Service areas should be used to store items rather than leaving them in plain sight. Temporary storage of bicycles in public view is permitted, if such bicycles are stored neatly, as far from the road as possible, and in a location that does not block walkways or create a safety hazard.

7.5. Structurally permanent yard toys (e.g., trampolines, swing sets, basketball backboards, playhouses, hammocks) are allowed [no more than one (1) of each type], consistent with neighborhood aesthetic suitability and positioned so as to minimize visibility from nearby streets, homes and golf courses. All items shall be maintained in good repair.

Tents or other temporary accommodations such as might be used for overnight camping are prohibited. Small play tents for daytime use by children, are permitted. Other tents used for events will be considered on a case by case basis.

Tree houses, stairs, platforms or other such recreational structures in or on a tree are prohibited.

7.6. Outdoor furniture shall be kept clean and maintained in good repair.

Lawn accoutrements (e.g., statuary elements, windmills, flags/banners) must conform to ARB Guidelines in type, size, quantity, and Property location; they shall not detract from the aesthetics of the neighborhood.

Flags, banners, and signs shall not be larger than 3' x 5'. Flags, banners, and signs permitted are limited to those for decorative/holiday purposes, those displaying an educational institution or sports affiliation logo, any current national or state flag, or military branch logo. Excessive displays are discouraged.

Other permitted signage on or near Property include items approved by the ARB (e.g., house number signs, contractor signs, ARB notices, building permits), and items approved by Sea Pines CSA (e.g., traffic directives, special event notices, safety precautions). A temporary sign displayed on Property to warn of children playing is permitted, only during times of active play. All other messages or advertisements of any kind displayed in any format on or near Property are prohibited.

7.7. Exterior lighting, especially lighting on automatic timers, may not be left on for extended periods, and/or after 10 PM. In no case shall they shine into a neighbor's residence or Property. Occasionally appropriate exterior lighting may be left on when someone is returning to the property after 10 PM. Changes to all exterior lighting fixtures must be ARB approved.

Outdoor decorations that may include exterior lighting for which ARB approval is not required, used solely for decorative, holiday or celebratory purposes, are permitted. Decorations should not be excessive. Such lighting may include lights directed onto doorways, or strings of lights on trees, boat docks, or other structures. Such decorations and lighting should only be employed for special occasions and/or holidays and for a limited duration; they are not for daily use; lighting may not be left on after 10 PM. Celebratory or holiday music, noises or other sounds are not permitted as components of such decorations.

[NOTE: No lights of any kind or intensity may shine onto or on the beach during loggerhead turtle nesting season during evening hours from May-October as defined by law. Violations may be subject to penalty as defined by law.]

8. Trash and Debris

8.1. All Properties shall be free of trash, garbage, and any type of non-vegetative debris. All trash, garbage, and non-vegetative debris shall be properly contained and routinely removed from the Property.

[Note: Construction debris shall be contained and properly disposed of as required by ARB Guidelines.]

8.2. Trash cans and recycling bins shall be kept in designated service yards at all times. Curbside trash pickup is not permitted in Sea Pines.

8.3. Sea Pines CSA landscape debris pickup at Sea Pines CSA designated neighborhood locations is a service provided for use by Owners or Tenants only (not for use by commercial contractors), for debris that Owners or Tenants collect from their Property. Deposit of landscape debris at locations not designated by Sea Pines CSA is prohibited. Permitted items in the debris drop off sites include palm fronds, leaves, sticks, small trees, branches and other vegetative debris. Tree trunks or branches must be under 6 inches in diameter. Debris left at pickup locations shall not be bagged. The dumping of trash or garbage of any kind, such as paper, plastic, metal, concrete, building materials, food waste, or pet waste is strictly prohibited. Inappropriate disposal is a violation of law regarding littering, garbage, and trash, and/or health and sanitation and subject the Owner to fines.

8.4. Pet waste shall be picked up and properly disposed of in trash receptacles. No pet waste or pet waste

bags may be disposed at Sea Pines CSA landscape debris pickup locations.

9. Vehicles

9.1. Short term renters and guests of short term renters are only permitted to park Vehicles in the garage, carport or on the driveway of the rental property. Parking is not permitted on any landscaped surfaces including the front, back or side yards.

9.2. Junked, wrecked or abandoned motor vehicles are not allowed to be parked, stored, or kept on any Property visible from any public or private street, right-of-way, or adjacent Property. This includes vehicles not being used for their original purpose or which are incapable of being used, as well as those that have been destroyed, badly damaged, or which are in a state of disrepair. Any such vehicle present on a Property shall be stored in a closed garage or in a carport so as not to be visible from the street, right of way, or neighboring properties. Violation of this rule may also be a violation of law regarding junked, wrecked or abandoned vehicles.

9.3. Only neutral earth-tone colored (one color; no pattern) car covers are permitted for protecting operative motor vehicles. Such covers shall be secured to the vehicle and maintained in good condition. No more than one (1) covered vehicle is allowed per Property. Concealment of junked, wrecked, immobile or abandoned vehicles with a car cover is prohibited.

9.4. Motorcycles, mopeds, and any motorized or battery-assist scooters or cycles of any kind shall be stored out of sight in an enclosed garage. Contact Sea Pines Security Department for a listing of vehicles approved for operation within Sea Pines.

B. Community Standards Enforcement

1. Property Inspections

1.1. The Community Standards Officer routinely travels through Sea Pines to identify Properties that fail to comply with the Community Standards Rules and Regulations. Additionally, any Owner, Tenant, or Sea Pines CSA staff member may report an alleged violation of the same to the Community by phone at 843-671-7820 or by email at CommunityStandards@csaseapines.com. The Community Standards Officer shall investigate all such reported Properties. The Community Standards Officer may request Property inspections by the applicable government agency, including but not limited to agencies referenced in the Community Standards Rules and Regulations, for possible violation of law.

1.2. A condition that fails to conform to the Community Standards Rules and Regulations is deemed a Community Standards Violation. A Property judged to be in violation by the Community Standards Officer is an "Identified Property".

2. Community Standards Violation Notices

2.1. Community Standards Violation Initial Notice. If a Community Standards Violation is found, the Community Standards Officer shall notify the Owner of an Identified Property in writing, describing the Community Standards Violation(s), specifying a deadline for Community Standards Violation resolution, and stating the applicable monetary fine and enforcement actions (the "Initial Notice"). The Initial Notice also informs the Owner of their right to contest the validity of the Community Standards Violation by appeal (refer to Part II Section B.4) or to request an extension of the remediation timeline (refer to Part II Section B.5).

2.2. Community Standards Violation Second Notice. A Community Standards Violation Second Notice (the "Second Notice") shall be issued to the Owner by the Community Standards Officer if the Community Standards Violation remains unresolved after the remediation deadline stated in the Initial Notice, or as per an approved timeline extension. The Second Notice specifies a deadline for full remediation, and states the applicable fine and enforcement actions. The Second Notice also informs the Owner of their right to request an extension of the remediation timeline (refer to Part II Section B.5).

2.3. Community Standards Violation Third and Subsequent Notices. An Community Standards Violation Third Notice (the "Third Notice"), and all subsequent notices, shall be issued to the Owner by the Community

Standards Officer if the Community Standards Violation remains unresolved after the previously issued Notice deadline, or as per an approved timeline extension. Such Notices again specify a deadline for full remediation, cite the applicable fine and enforcement actions, and inform the Owner of their right to request an extension of the stated remediation timeline (refer to Part II Section B. 5).

3. Community Standards Violation Resolution. The Community Standards Officer shall perform a final inspection of the Property once the Owner notifies the Community Standards Officer that the Community Standards Violation(s) have been remediated, or alternatively, after the remediation deadline (or the applicable timeline extension deadline). If the Community Standards Violation remediation is verified, the Community Standards Violation shall be documented as RESOLVED. The official Community Standards Violation resolution date shall be the date of the final inspection. Upon request to the Community Standards Officer by the Owner, the Community Standards Officer shall provide a written Community Standards Violation Resolution Notice (a "Violation Resolution Notice") to the Owner, documenting the full remediation of the Violation as verified by Community Standards Officer inspection.

4. Community Standards Violation Appeal

4.1. Appeal Submission. An Owner in dispute of the validity of a Community Standards Violation in an Initial Notice may appeal to the Sea Pines CSA President. The Community Standards Appeal is to be submitted in writing to the Sea Pines CSA President at 175 Greenwood Drive or by email to communitystandardsappeals@csaseapines.com. Community Standards Appeals are to be postmarked or emailed no later than fifteen (15) calendar days from the date of the Initial Notice, excluding federal holidays. A delay may waive the Owner's right to appeal.

4.2. Appellate Process

4.2.1. If so desired, the Owner, and/or their representative (as designated in writing to the Sea Pines CSA President by the Owner), may appear before the Sea Pines CSA President in person if they so request when requesting a review of the Community Standards Violation.

4.2.2. At the appellate meeting, the Sea Pines CSA President shall consider Property photos, statements by the Community Standards Officer, any relevant documentation, as well as the Owner's written appeal. If present, the Owner (and/or their representative) shall be provided the opportunity to state their concerns. Once the Sea Pines CSA President has reached a decision regarding the appeal, the Owner will be informed of the decision in writing.

4.2.3. If the Sea Pines CSA President denies the appeal, the Initial Notice Community Standards Violation will stand. The timeline for remediation stated in the Notice will apply, with day (1) of the remediation timeline falling on the next business day after the appeal decision. If the Owner continues to dispute the validity of the confirmed Community Standards Violation, the Owner may submit their request for further appeal in writing to the Sea Pines CSA Board within thirty (30) days.

4.2.4. If the Sea Pines CSA President or Sea Pines CSA Board upholds the appeal, the record of the Community Standards Violation Initial Notice will be marked resolved by appeal.

5. Community Standards Violation Timeline Extension Request

5.1. Request Submission. The Owner may request a timeline extension for Community Standards Violation remediation. The written Timeline Extension Request shall include a proposed timeline with detailed target dates for remediation completion, and justification for the requested timeline extension. The Timeline Extension Request shall be submitted in writing to the Community Standards Officer at 175 Greenwood Drive or at communitystandardsappeals@csaseapines.com. Time Extension Requests are to be postmarked or emailed no later than fifteen (15) calendar days from the date of the most recent Community Standards Violation Notice, excluding federal holidays.

5.2. Community Standards Violation Timeline Extension Review Process. The Community Standards Officer is authorized to review and approve Timeline Extension Requests. If the Community Standards Officer approves such a request, the proposed timeline extension will apply. The Community Standards Officer may deny such a request for any reason. The Community Standards Officer shall provide a written response of this

decision to the Owner.

6. Owner Notification Process. Written communications referred to in Part II Section B, including Community Standards Violation Notices, Community Standards Violation Resolution Notices, and Community Standards Appeal decisions, shall be sent to the Owner's address as listed in Beaufort County tax records and/or Sea Pines CSA files; in addition, a copy shall be sent by email to the address on file with Sea Pines CSA, if any. Written Timeline Extension Request decisions shall be sent to the Owner's address and/or to their email address, if any, on file.

7. Community Standards Violation Fines. A Schedule of Fines for Community Standards Rules and Regulations Violations are delineated in Exhibit A.

PART III. ANNUAL RENTAL REGISTRATION PROGRAM

1. Registration. Effective January 1, 2023, any Member of Sea Pines CSA that rents or leases any Residential Property must first register such rental property (herein a "Rental Property") with Sea Pines CSA and pay an annual registration fee ("Rental Registration Fee"), the amount of which shall be determined and published prior to the first day of each year by the Sea Pines CSA Board of Directors. These fees will be used to increase and enhance the security, maintenance, and Community Standards management services, the need for which is in large measure due to the continued growth in the number of Residential Properties being held for renting or leasing. The Rental Registration Program Fee may change not more than annually and by not more than ten percent (10%) per such annual change.

2. Registration Fee. For calendar year 2023, the Rental Registration Program Fee shall be based on the number of bedrooms advertised as available for rent or lease in the Rental Property, as follows:

- | | |
|---|---------|
| a. For 1 or 2 bedroom properties: | \$300 |
| b. For 3 or 4 bedroom properties: | \$700 |
| c. For properties with 5 or more bedrooms | \$1,000 |

3. Enforcement of Fee Obligations. Failure by a Member engaging in rental of a Rental Property to pay the Rental Registration Program Fee may result in the Member's loss of certain privileges, the imposition of fines, and the filing of liens against the applicable Residential Property, in each case as more particularly determined from time to time by the Board of Directors and published in these Community Standards Rules and Regulations.

EXHIBIT A

FINES SCHEDULE FOR VIOLATIONS OF THE COMMUNITY STANDARDS RULES AND REGULATIONS

SCOPE. This schedule of monetary fines (the "Fines Schedule") applies to Community Standards Violations of the Community Standards Rules and Regulations detailed in Part II Section A of the SEA PINES COMMUNITY STANDARDS RULES (the "Community Standards Rules and Regulations").

VIOLATION CATEGORY. The Fines Schedule is subdivided into four (4) Violation Categories ("Categories"). These Categories are specific for those referenced Community Standards Rules and Regulations within the Scope. The referenced Community Standards Rules and Regulations listed within each Category are described using keywords and phrases; the reader is advised to refer to the actual Community Standards Rules and Regulations for complete wording.

REMEDIATION DEADLINE. For each Category, a standard remediation deadline of thirty (30) calendar days from the date of the Community Standards Violation Notice shall apply. The Community Standards Officer reserves the right to issue an immediate "Cease and Desist" order, and/or to adjust this deadline for situations requiring more urgent action. The applicable deadline for a given Community Standards Violation is that stated in the most recent Community Standards Violation Notice, or in a written response to an approved Community Standards Violation Timeline Extension Request. Deadline timelines exclude federal holidays.

VIOLATION FINES. Monetary fines shall be assessed for Community Standards Violations as indicated below. As shown, the Initial Notice for a few Categories shall include an immediate fine, others shall result in an Initial Notice with no fine (a warning notice). For all Community Standards Violations, fines shall be assessed for Community Standards Violations not fully resolved after the deadline specified in the most recent Community Standards Violation Notice, or in a written response to an approved Community Standards Violation Timeline Extension Request. Delays in Community Standards Violation remediation beyond the applicable deadline shall result in cumulative (additional) fines, according to the Fines Schedule. Fines are not assessed on federal holidays.

RESOLVED VIOLATIONS. Fines shall continue to accrue until the Community Standards Violation is deemed RESOLVED by the Community Standards Officer. The Owner is advised to contact the Community Standards Officer by phone at 843-671-7820 or by email at CommunityStandards@csaseapines.com when the Owner has fully remediated an Community Standards Violation, so a final inspection by the Community Standards Officer can be performed to verify such resolution. All fines accrued prior to the official Violation Resolution Date shall remain due in full. No cancellation or reduction of fines shall apply for full or partial remediation.

RECURRENT VIOLATION FINES. For previously resolved Community Standards Violations that reoccur three (3) or more times in a twelve month period, more aggressive fines may apply, in which the Community Standards Violation Initial Notice fine is as per that of a Second Notice; Third Notice fines, and all subsequent fines, are doubled.

FINE PAYMENT. Payment in full is due to Sea Pines CSA within thirty (30) days of the Community Standards Violation Notice fine statement. A delay in payment may result in an interest fee. Payment instructions are provided in the Community Standards Violation Notice.

COMMUNITY STANDARDS VIOLATION CATEGORIES AND FINES

CATEGORY	FINES AND APPLICABLE Community Standards RULES AND REGULATIONS (Reference Part II, Section A)
1	Initial Notice: \$0 (warning notice) Second Notice: \$75 Third Notice: \$150 Subsequent Fines: \$30/day (M-F) Applicable Community Standards Rules and Regs 7.1 Overall Appearance: Mailboxes, street number signs 7.2 Overall Appearance: Garage doors 8.2 Trash and Debris: Trash cans

**SEA PINES CSA RULES AND REGULATIONS FOR COMMERCIAL CONTRACTORS
ON RESIDENTIAL PROPERTIES**

GENERAL

- Hours for commercial work in Sea Pines are Monday through Saturday, 7:00am to 7:00pm., or at other times with the approval of the Director of Safety & Security. No work will be performed on Sundays and the following Holidays: Thanksgiving Day, The day after Thanksgiving, Christmas Eve, Christmas Day, New Year's Day, Easter, Memorial Day, Fourth of July, and Labor Day.
- Contractors shall not build, erect, install, rebuild, etc., without obtaining the necessary permits and/or approvals.
- Contractors shall not remove any trees without obtaining the appropriate permits and approvals.
- All permits must be posted and visible from the street.
- Materials must be stored on the lot where the permit is approved. Not on any adjacent lot or open space unless prior approval is given.
- Noise levels should be kept to a minimum and should comply with the Town of Hilton Head Noise Ordinance, Sea Pines Covenants, Rules and Regulations, policies, and/or permitted hours of operation to minimize disturbances for residents.
- No company advertising to be posted on the job site.
- No noxious, offensive, or illegal activity shall be carried on upon Commercial or Recreational Property, nor shall anything be done therein which may be or may become an annoyance or nuisance through visual blight to any nearby property nor shall levels of sound or noise be created significantly disturbing nearby areas.

VEHICLES

- All commercial vehicles must display a commercial pass, commercial decal, or hang tag while on the property. Property Owners are NOT permitted to reserve a guest pass for a contractor.
- All commercial vehicles conducting business in Sea Pines are required to display prominently the commercial vendor's name and telephone number(s) on each side of the vehicle. The lettering may be applied with paint, vinyl lettering, or by magnetic material and all lettering and numbering must be at least two (2) inches high.
- Current ARB Guidelines permit up to six (6) vehicles to be parked at the property they are working at with an approved permit.

TRAFFIC/PARKING

- Contractors must be parked on the property that holds the approved permit for work. Sufficient space for construction vehicles must be provided at the job site. Roadways or Right of Ways may not be obstructed by construction vehicles.
- Contractor vehicles, including trailers of all types, may not remain on the job site overnight in Sea Pines unless CSA grants prior approval.
- The contractor shall provide a temporary driveway entrance or a designated access path with mulch or stone connecting the property to the street at one point, to not track dirt onto the street or interfere with drainage along the street.

- Vehicles and equipment should not obstruct driveways, leisure trails, mailboxes, fire hydrants, or emergency access routes.
- If a contractor vehicle must park on the street, the contractor shall be required to take the appropriate safety precautions, including but not limited to, use of cones, a traffic coordinator, etc. Prior approval may be required.
- Any work completed under an hour does not require prior approvals, for example, landscaping, maintenance, dry cleaning, pool cleaning services, delivery vehicles, etc.

ENVIRONMENTAL

- Contractors are responsible for the cleanup of their work areas at the end of each day. The job site shall be kept clean and uncluttered and free of loose debris. A fine will be imposed if the job site's condition is not addressed after a warning.
- Street pavement must be kept clean during construction, including Right of Ways and leisure trails. Roadways, right of ways, and leisure trails, should be maintained in a way to protect them from construction and open for public use. If damage is observed, CSA or a CSA approved vendor will complete the repairs, and the contractor will be billed for the repair.
- Contractors must dispose of all waste, hazardous materials, debris, etc., in accordance with local regulations, including concrete washout and pool draining.
- It is the responsibility of the contractor to ensure that the dumpster(s) are emptied in a timely fashion and never exceed the full line.
- All dumpsters are to be covered completely with a tarp and secured at the end of each workday.
- Contractors are required to use silt fencing, tree protection, and inlet protection in accordance with the Town of Hilton Head Land Management Ordinance.
- Prohibited activities within wetland buffer:
 - Disturbance or removal of landscaping, vegetation, soil
 - Dumping debris or materials
 - Installation of any new landscaping, including but not limited to, sod, plants, bushes, trees, etc.
 - Installation of structures
 - Installation of irrigation, lighting, or other aesthetic enhancements

ENFORCEMENT

- Failure to follow these rules or guidelines may result in suspension of work, loss of deposit, and/or additional fines.
- After construction has been completed, any damage resulting from the construction, including damage to streets and leisure trails, must be corrected. The cost of repairs and maintenance for off-site areas damaged during the construction process are the responsibility of the owner. Any area damaged during construction must be returned to its original condition before the request is made for final inspection.
- Repeated violations may lead to the contractor being denied entry into Sea Pines and performing future work within the community.

EMERGENCY

- Contractors can access the community outside regular working hours for urgent repairs if approved by the Sea Pines CSA Director of Safety & Security.

OPEN SPACE

- Contractors are not permitted to store items, vehicles, trash, debris, materials, etc., in Sea Pines CSA Open Space.
- Contractors are not permitted to access Sea Pines CSA Open Space without prior approval.
- If damage is observed on Sea Pines CSA Open Space from a contractor, a mitigation plan will be implemented to restore the area back to its original state. CSA Open Space must be returned to its original condition before the request is made for final inspection.
- Repeated violations may lead to the contractor being denied entry into the Community and from performing future work within the community.

SEA PINES CSA RULES AND REGULATIONS FOR COMMERCIAL CONTRACTORS FINE SCHEDULE

1. First Offense:
Penalty: Warning issued
Description: The commercial contractor will receive a written warning for the first violation of any rule or regulation in the Sea Pines CSA Rules and Regulations for Commercial Contractors.

2. Second Offense:
Penalty: \$250 fine
Description: If the commercial contractor violates any rule or regulation in the Sea Pines CSA Rules and Regulations for Commercial Contractors a second time, a fine of \$250 will be imposed.

3. Third Offense:
Penalty: \$500 fine
Description: If the commercial contractor violates any rule or regulation in the Sea Pines CSA Rules and Regulations for Commercial Contractors a third time, a fine of \$500 will be imposed.

4. Fourth and Final Offense:
Penalty: \$1,000 fine
Description: A fourth violation of any rule or regulations in the Sea Pines CSA Rules and Regulations for Commercial Contractors will result in a final fine of \$1,000 and may result in revocation of the commercial contractor's permit to gain access into Sea Pines.

Note:

Repeated violations after the final offense may result in revocation of the commercial contractor's decal.

This schedule provides a structured escalation in penalties to encourage compliance while allowing an opportunity for correction after the first violation.
