Candidate Information:

My wife Jane, an Artist, and I are from St. Louis. We purchased our Sea Pines home in 2008 and became full time residents in 2020. We have two married children and five grandkids. My education includes a BA, MBA, MHA, and an MA.

After over 40 years as a health care executive, I retired as President and CEO of a \$1.5B health system and became a founding partner of Medically Home, a company we sold to Mayo Health. I have served on over 40 Boards of hospitals, health systems, and non-profit organizations.

Despite no Commercial interests, I was appointed a Class "B" Member of the CSA Board in 2018. I have served as Vice Chair of the Board for over 5 years and member of the Executive Committee. Previously chaired the Safety and Governance Committees.

My other interests include travel, music, golf, cooking, gardening and history.

Why I Wish to Serve the Sea Pines Community:

I wish to continue to serve to help make our community even better. I want to do my part to align the interests of Residential Property Owners, Renters, The Sea Pines Resort, Commercial Enterprises, our Visitors and SPCSA. I want to do my part to ensure the SPCSA Board continues to act in the mutual benefit of our entire Community and advance the common good.

I have a strong background in governance and executive leadership. I have come to value and appreciate even more the specialness of the Sea Pines Community and the need to continuously improve what we have to secure our investments in our homes, our businesses and our community.
